Opis produktu

Barbicide Odpływ is a professional drain cleaner designed specifically for unclogging hair and residue build-up in hair salons. This highly effective formula quickly dissolves blockages, ensuring that your pipes remain clear and flowing smoothly at all times. Unlike other drain cleaners, Barbicide Odpływ is chlorine-free and odorless, making it safe to use without causing any damage to your pipes or plumbing. Its bactericidal properties also help prevent the growth of bacterial and fungal organisms, maintaining a hygienic environment in your salon. For unclogging drains, simply pour 200ml of Barbicide Odpływ into the affected drain, wait for 15 minutes, and then rinse with a large amount of water. To prevent blockages, regularly pour 100ml of the product into the drain, wait for 5 minutes, and rinse with water. For even more effective results, mix Barbicide Odpływ with hot water in a 1:1 ratio before use. Barbicide Odpływ is free from phosphates, acids, and its surfactant ingredients are biodegradable by over 90%. It is important to note that this product should not be mixed with other cleaning agents. Invest in the professional-grade Barbicide Odpływ for maintaining clean and unobstructed drains in your hair salon. Buy now and experience the exceptional performance that this drain cleaner provides.
