Opis produktu

Prepared for fresh polish for manicure, the DIAMENTOWY FREZ STOŻEK 1,6/3,5mm - ACURATA is a top-quality tool designed for professional use. Crafted from durable stainless steel, this diamond cone-shaped bit guarantees exceptional strength and longevity. Its tapered design features a 1.6mm diameter and a 3.5mm height, making it perfect for precise podiatry procedures such as refining nails and treating cuticles. Additionally, it serves as an excellent accessory for manicures, effectively removing excess skin and achieving a smooth finish. With a maximum speed of 50,000 rotations per minute, this ACURATA diamond bit offers powerful performance without compromising safety and precision. It can be conveniently sterilized in an autoclave, sterilizing ball, or water-based solutions, ensuring impeccable cleanliness and hygiene standards. The product code for this high-quality tool is AC122878. Upgrade your professional nail care arsenal with the DIAMENTOWY FREZ STOŻEK 1,6/3,5mm - ACURATA. Order now and experience the exceptional precision and durability it brings to your nail treatments.
