Opis produktu

High-Quality Cotton Eyebrow Threading Thread Natural eyebrow threading is a professional depilation method, using a revolutionary 100% cotton thread. It is considered one of the gentlest and least painful hair removal techniques. Threading is gaining popularity as an elegant, sophisticated, and trendy facial and body care regimen for both women and men! Introducing Vanity no.40, a specialized thread designed for hair removal on the face and other body areas. Made from the finest quality cotton, this 300m spool of thread guarantees optimum performance. With its antibacterial properties, this threading thread protects the skin from allergies or infections. The elastic and durable construction ensures a smooth gliding motion during the procedure. Each pink spool is individually packaged in its own box for convenience and hygiene. Product Parameters: - Manufacturer Code: AC123650 Enhance your beauty routine with our high-quality cotton eyebrow threading thread. Experience the efficiency and gentleness of this revolutionary hair removal technique.
