Opis produktu

Rose Madame Peeling Ciała is an exceptional body exfoliator that promises to provide a sensuous cleansing experience. This highly effective product is infused with a stimulating and sensual fragrance that is bound to captivate your senses. Crafted with the finest grape and hemp oils, along with crystallized sugar and extracts of mango and dates, Rose Madame Peeling delivers a balanced formulation that caters to the specific needs of your skin. It effectively removes dead skin cells, revitalizes and smoothens the skin's texture, leaving it refreshed, velvety soft, and incredibly smooth to the touch. Not only does this exfoliating scrub nourish and deeply moisturize your skin, but it also prepares it for the application of subsequent skincare products, making it the perfect foundation for your at-home beauty regime. For optimal skincare results, we recommend complementing your routine with other products from the Rose Madame range, as they share the same captivating fragrance note. Suitable for all skin types, Rose Madame Peeling Ciała is a must-have addition to your skincare collection. Trust in its efficacy and indulge in the luxurious experience it offers.
