Opis produktu

The Tołpa Dermo Face Rosacal - Płyn micelarny 400ml is a gentle dermo-cosmetic product that effectively removes makeup and impurities. It strengthens blood vessels, soothes redness and irritations, and restores comfort by eliminating the feeling of tightness. This versatile product can also be used for eye makeup removal. To achieve optimal results, apply the micellar solution to a cosmetic pad and gently cleanse your face, eyes, and neck. Repeat the process until the pad comes away clean. Use the product both in the morning and evening. The formula of this micellar liquid is enriched with the unique tołpa.® peat, as well as a combination of arnica, horse chestnut, witch hazel, ivy, St. John's wort, and grapevine extracts. Additionally, it contains sodium hyaluronate for added moisturization. Our product is free from allergens, artificial colorants, PEGs, SLS, and formaldehyde donors. It is made with mild cleansing agents, natural color, plant-based active ingredients, and has a physiological pH balance. The packaging is eco-friendly and can be recycled. The Tołpa Dermo Face Rosacal - Płyn micelarny 400ml has a capacity of 400 ml and has been dermatologically tested at the Clinic of Dermatology, Venereology, and Allergology of the Medical Academy. Manufacturer's code: TO712.
